 F Schools for Choice Scholarship Student Eligibility  
 2016-2017 School Year  
 February 23, 2016

The A through F grades issued in the winter of 2015 for school performance in the 2014-2015 school year will be used to determine the F schools for eligibility purposes for the 2016-2017 Choice Scholarship Program. If a student would be required to attend one of the public schools listed below based on their residence and the student was a member of a household that satisfied the income eligibility criteria, the student would be eligible to apply for a Choice Scholarship. Please note that a student is not required to have previously attended the F school. The list below is sorted alphabetically by school corporation name.
